Olde Towne
in Kenwood

6915 Lynnfield Court
Cincinnati, Ohio 45243

The cupola that rises above Olde Towne in Kenwood is a recognizable landmark in the popular northeast Cincinnati suburb. A replica of the cupola from the Governor's Mansion in Williamsburg, Virginia, it offers a hint of the sophistication and charm below its spire. The village greens, carriage lights, widow's walks, and weather vane high atop the cupola add to the colonial grace of Olde Towne in Kenwood.
